## Membership Form

The West Country Concertina Players have been running successful concertina weekends for the past 21 years and have considerable experience in teaching absolute beginners. They have run workshops at major festivals. In addition to these the W.C.C.P hold bi-monthly meetings in the Taunton area when all abilities are welcome.

Constructive workshops are the key to all events. If you have always wanted to play this delightful little instrument, whether it is the English, Anglo or Duet system then this is the place for you. Our website at [www.wccp.info](http://www.wccp.info) gives details of our activities.

Why not become a member of the W.C.C.P. and meet lots of like-minded people?
